

Product End of Service Life (EOSL) Notification

Select IBM Infoprint Models

Source Technologies is committed to providing the highest quality products and services to our customers. Our effort to continually enhance the operational efficiency of our solutions for our customers requires that we evaluate and advance our products when it is beneficial.

We recognize the impact a product EOSL can have on our customers. Therefore, we are providing you with notification that maintenance services will terminate for the printer models listed below, effective 12/31/2016:

MICR Printer Model

IBM Infoprint 1532

IBM Infoprint 1572

IBM Infoprint 1822

IBM Infoprint 1832

The above referenced products will reach end of service life and will no longer be serviced after the effective date.

Newer technology often provides more productivity and greater efficiency in the same or similar applications as previous product generations. If interested in replacing this solution, we recommend considering the next generation of Source Technologies' MICR printers, the ST9700 Series. We do understand how integral this equipment is to your organization's overall productivity, and we look forward to having a conversation with you about the right technology for your needs today and into the future.

Please contact us at 1-800-922-8501 or via marketing@sourcetech.com to discuss your organization's secure and MICR printing needs.
