

Product End of Manufacturing (EOM) Notification

ST9612 MICR Printer End of Manufacturing Notification

Source Technologies is committed to providing the highest quality products and services to our customers. All technology products eventually reach the end of their useful life and a business decision must be made to discontinue the product. At Source Technologies, we view product EOM as a part of the life cycle that drives new technology and product innovation.

We recognize the impact EOM can have on our customers. Therefore, we are providing you with notification of EOM on the MICR printer listed below.

MICR Printer:	Part Number	EOM Date
ST9612	Mxxx-xxxxxxx	12/19/2012 Available as supplies last

The above referenced product will be reaching end of manufacturing and will only be available as supplies last.

Newer technology often provides more productivity and greater efficiency in the same or similar applications as previous product generations. If interested in replacing this solution, we recommend considering the next generation of Source Technologies' MICR Printers. We do understand how integral this equipment is to your organization's overall productivity, and we look forward to having a conversation with you about the right technology for your needs today and into the future.

Support and service will continue to be available as long as supplies last.

Please contact us at 1-800-922-8501 or via marketing@sourcetek.com to discuss your organization's secure and MICR printing needs.
