

End of Service Life (EOSL) Notification

Source Technologies is committed to providing the highest quality products and services to our customers. All technology products eventually reach the end of their useful life and a business decision must be made to discontinue maintenance. At Source Technologies, we view product EOSL as a part of the life cycle that drives new technology and product innovation.

We recognize the impact EOSL can have on our customers. Therefore, we are providing you with notification of EOL on the service offerings listed below.

<u>EOSL Offerings: Printer Model</u>	Service Offering	Service EOSL Date
9612	All	12/31/2019
9620	All	12/31/2019

The above referenced product has met its end of life and will be withdrawn from maintenance December 31st 2019; therefore, we will be unable to renew maintenance contracts.

Newer technology often provides more productivity and greater efficiency in the same or similar applications as these older products. We do understand how integral this equipment is to your organization's overall productivity, and we look forward to having a conversation with you about the right technology for your needs today and into the future.

Please contact us at 1-800-922-8501 or via marketing@sourcetek.com to discuss your organization's secure and MICR printing needs.
