Source Technologies is committed to providing the highest quality products and services to our customers. Our effort to continually enhance the operational efficiency of our solutions for our customers requires that we evaluate and advance our products when it is beneficial.

We recognize the impact a product EOM can have on our customers. Therefore, due to age of technology, we are providing you with notification of EOM for the STI-204513-24B1085 toner cartridge, effective 4/16/2024. During this time we recommend using the STI-204513S-24B6434 as an alternate solution, while supplies last.

Please contact us at 1.800.922.8501 or via sales@sourcetek.com discuss your organization's secure MICR printing needs.
